

Commitment to Our Customers

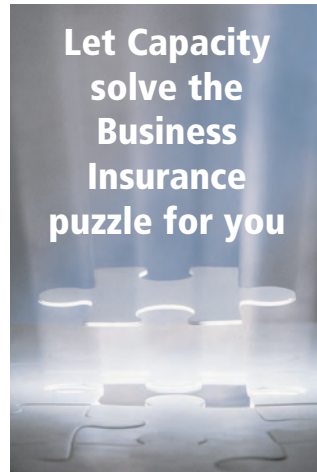

The Capacity Group believes we enhance our Customers' best interests by establishing a relationship of trust and full disclosure in helping our Customers evaluate and obtain the insurance protection they need.

We are guided first and foremost by our Customers' needs and our commitment to integrity in our business.

We believe it is imperative that the needs and interests of our Customers be placed ahead of all other interests.

Before giving advice or making recommendations, we make a diligent effort to learn our Customer's needs, objectives, and circumstances, and then to offer products and services suitable to such needs.

We will never place our own financial or other interests over those of our Customers.

**One Source for All Your
Business Insurance Needs**

Capacity Coverage Company of New Jersey, Inc., is a full service insurance organization that represents a host of the top rated insurance carriers in the world. Our “one stop shopping” approach provides access to a wide variety of products and services, strongly supported by specialists in each area.

As an insurance broker, we believe our job is to clarify and simplify the insurance process for you. We help you understand what you need and what you are getting.

COMMERCIAL PACKAGE POLICIES

Cost Effective Coverage for Small Business

Whether you are a start-up or established for many years, selecting the right commercial insurance program is one of the most important business decisions you will make. Capacity reviews your business operation and then clearly explains your coverage options to help you make the right choice.

Business Auto Coverage

Capacity has the experience, expertise, and resources to professionally manage your transportation insurance portfolio. Business automobile insurance is available nationwide with very competitive rates and a 24/7 claims reporting service via toll-free telephone number.

Comprehensive Workers Compensation and Alternative Programs

Capacity provides complete Workers Compensation programs including retrospective plans, deductible plans and sliding scale dividend plans. We also offer alternatives such as Occupational Accident & Disease and Contingent Workers Compensation and Employee Leasing.

Is Your Business Fully Protected from Liability?

Umbrella Liability provides additional protection in excess of General Liability, Automobile, and Workers Compensation coverage – and may help you reduce your overall liability costs. With the rise of employment related lawsuits, employers can protect themselves with Employment Practices Liability Insurance (EPLI) coverage. Directors and Officers Insurance (D&O) provides coverage for the Directors and Officers of a company if they are sued.
